

Casino-Resort Filming Guidelines

Phone, Camera, Video & Social Media Channels

By visiting our property, our guests agree to operate in compliance with our casino-resort Filming Guidelines. Adherence to these guidelines protects everyone's safety and privacy. In addition, it is our guests' responsibility to include any appropriate language or information as required by the Federal Trade Commission (FTC) or other governing authorities. Our guests are responsible for compliance with all requirements including, where applicable, those related to endorsements or compensation. Additional resources and social media guidance can be found on FTC's website (www.ftc.gov/business-guidance/resources).

FILMING IS ALLOWED:

- For our guests' personal, recreational, non-commercial use
- On a small personal device like a mobile phone, handheld camera or tablet
- Of you and consenting members of your party only
- In our casino slot floor, restaurants and bars
- Taking short video clips and photos of a slot machine while playing
- When it does not disrupt business operations or other guest experiences
- When it does not block walkways, entrances or exits

FILMING IS PROHIBITED:

- Where signage prohibits filming
- In our table games pit and playing at our table games (without prior staff approval)
- When proxy-betting for remote patrons who are not present on our gaming floor
- When placing and filming bets commercially for payment via Zelle, Venmo, Paypal or other remote payment platforms
- At our Cage/Cashier, True Rewards club desks, and in employee-only areas
- Of our security equipment
- With professional cameras or other large equipment without prior filming approval
- When disruptive to business operations or guest experiences
- Of other casino-resort guests without prior individual approval
- Of our team members without prior individual approval
- When blocking any walkways, entrances or exits
- When harassing or commercially soliciting other patrons or employees
- When third-party restrictions require non-filming compliance (such as shows or events)
- When creating or sharing deceptive, illegal, hostile, proprietary or unsafe content
- When a staff member requests that you stop filming for any reason

FILMING REQUIRING PRIOR COMPANY APPROVAL:

- When used for commercial activities (social posts, blogs, sales, videos, etc.) associated with in-kind or monetary compensation
- With professional equipment and devices

- With potential to impede business operations or obstruct property areas
- Visit aquariuscasinoresort.com/Filming to submit a commercial filming request form.

ADDITIONAL FILMING GUIDELINES:

- No false, misleading, disparaging, slanderous, hazardous or defamatory content
- No sexually explicit or violent content, including content with nudity, illegal drugs or weapons
- No hateful or offensive content, including content that promotes racism, prejudice or bigotry
